# SHARE A LIBRARY OF THINGS

Sponsor SHARE and support a very different type of business

**Sponsor SHARE and support a charity that's loved by the community of Frome and integral to its future.**

Who is SHARE, why support us and how

## Who is SHARE Frome Library of Things?

SHARE Frome was the UK's first 'Library of Things' and is now a UK registered charity. Our library includes everything from camping gear to power tools, games to kitchen appliances, disco lights to kids costumes. We have over 600 items that were borrowed over 4000 times by over 1000 active members in 2022, helping our turnover grow by 36%. The 'Library of Things' scheme is growing rapidly in the UK and we receive at least one enquiry each month. With your support we can continue to lead that growth.

## Why people love being part of SHARE

We make it simple and fun to reduce consumption, prevent waste & help the planet.

**1 PREVENT WASTE**

People save space and money by borrowing and not owning items they rarely use.
